The Honorable Robert Devich
Judge of the Municipal Court
1150 San Fernando Road
Los Angeles, California 90065

Dear Judge Devich:

I am writing to express my support for the Arraign-
ment Intervention Program for homophile defendants
appearing in Municipal Court.

I find this an excellent program which will give
these defendants the opportunity to find jobs, housing,
and psychological help upon probation or release.

I hope this program continues. The Los Angeles
Municipal Court should be commended for promoting it.

Sincerely,

DAVID A. ROBERTI
State Senator
