Mr. Thomas F. Coleman

Dear Tom -

A belated thanks  
for your pivotal role in  
achieving Council approval  
of the domestic partnership  
policy.  
Little did I know,  
when we first met in

connection with Governor  
Brown's task force on  
personal privacy, that we  
would someday work  
together to make history  
in Los Angeles.

I appreciate your  
vision and perseverance  
in seeing this project  
through from beginning  
to end.

Best Regards,  
Mike Woo
